

PRIVACY POLICY A&B SRL

I. INFORMATION ON WEBSITE PRIVACY POLICY

The present Information provides our Users with the new arrangement on Personal Data collection and processing. It is in accordance with the EU Regulation n. 679/2016 of 27 April 2016, also known as GDPR (General Data Protection Regulation) on the subject of protection of Individuals with regard to the processing of Personal Data, as well as the free flow of private information for those dealing with A&B SRL.

By accessing and browsing our webpage, the User accepts all the procedures included in the present Privacy Policy Information. We therefore recommend visiting every now and then our website to check any potential upgrades made on the subject.

II. DATA CONTROLLER

The data controller is A&B SRL. Any inquiry can be forwarded by the following certified mail address abgroupdogana@pec.it or on the phone at +39 02 864891.

Please, note that any personal data voluntarily transmitted will be then processed in line with the current regulation and respecting the fundamentals of accuracy, lawfulness and transparency, pertinence and completeness.

III. DATA TYPE

There are two types of Personal Data. The first one is the so-called *Log Data* (as example IP addresses, web browsers used and time/date of visiting the website). It is about all those data automatically collected during the application process, which makes the website working. By studying the same data, it is possible to know frequency and number of users accessing the website and if it is properly working or not. Once analyzed, these data are then deleted. The second one instead includes all those Personal Data provided by the User on its own will. As example asking for commercial offers and/or general information on services provided, requires to fill in a specific form. It is therefore not possible to meet the Users' need in their lack. On the other hand, optional data do not prevent in any case to cater for Users' needs.

Please, visit our website to learn more about our Cookie Policy.

IV. METHODS AND LOCATION OF PERSONAL DATA PROCESSING

1. Methods of Data processing

Data are processed by means of IT tools and exclusively to the purposes here above-mentioned. All this is handle in line with the current safety measures to make sure no personal data is therefore transmitted and/or passed on to third parties. Besides the Data Protection Officer (DPO), sometimes there are also other subjects involved in the website management (as example hosting providers, IT companies and so on). The DPO shall therefore make a list of all the appointed people in charge of data processing. The updated list can be requested anytime directly to the DPO.

2. Location data

Personal data are processed by base stations in the DPO's operative locations.

3. Period for retaining Personal Data

Personal Data will be stored as long as it takes to meet the Users' needs and for the purposes so far mentioned.

V. DATA SUBJECTS' RIGHT

Article 15, clause 2 of EU Regulation 679/2016 outlines the right of access by the data subject regarding their personal data process. First and foremost, data subjects shall have the right to obtain from the controller, confirmation as to whether or not personal data concerning him or her are being processed, the truthfulness and/or fairness of the given information as well as any rectification, erasure and restriction of data processed. Any further request can be forwarded to the Data Protection Officer by the following certified mail address: abgroupdogana@pec.it. The User can also complain against breaches of data protection rules to the Italian Data Protection Authority (DPA).

VI. CHANGES TO THE PRESENT PRIVACY POLICY INFORMATION

The DPO reserves the right to change at any time the present information and to promptly inform all the Users. This Privacy Policy may be revised periodically and this will be reflected on the "last modified" date located below. It is therefore highly recommendable to visit the present website on a regular basis.
